August

University-wide New Graduate Student Orientation ~ Wednesday, August 8, 8:30 a.m. – 2:45 p.m., Student Center
Our university-wide new graduate student orientation is designed to provide you with a comprehensive overview of the services and resources that Georgia State offers to its graduate community! graduate.gsu.edu/new-student-information/

Fulbright US Student Program Information Session ~ Tuesday, Aug. 21, 12 p.m. – 1 p.m.
The Fulbright U.S. Student Program provides funding for those wishing to travel overseas to conduct research, engage in academic study, or teach English for up to one year. The campus deadline is September 7th and the national deadline is October 9th. Applicants must be a US citizen to apply. Graduate students interested in applying to Fulbright should contact Fellowship Advisor, Katrina Helz at khelz@gsu.edu.

Finding and Applying for External Fellowships ~ Monday, Aug. 27, 12 p.m. – 1 p.m.
Hear from GSU Fellowships Advisor Katrina Helz on tips and insights into finding and applying for external funding in the form of nationally competitive and prestigious fellowships.

Career & Communication Series ~ (pre-recorded webinars) ~ Available On-demand
1. Building Professional Relationships
2. Translating Your CV to Industry
3. Using Social Media to Advance Your Career
4. Communicating Your Research with the Public

September

National Science Foundation Graduate Research Fellowship Program (NSF GRFP) Information Session ~ Thursday, Sept. 6, 12 p.m. – 1 p.m., Honors College
The NSF Graduate Research Fellowship Program recognizes and supports outstanding graduate students in NSF-supported science, technology, engineering, and mathematics disciplines who are pursuing research-based Master’s and doctoral degrees at accredited United States institutions. Application deadlines fall at the end of October. Applicants must be a US citizen, national or permanent resident.

Write a Winning Grant Proposal: Introduction ~ Sept. 12, 2:30 p.m. – 4:00 p.m.
The University Research Services & Administration (URSA) office is happy to announce that we will be offering our basic grant-writing workshop three times this spring. Seating is limited and registration is on a first-come-first served basis.

Finding and Applying for External Fellowships ~ Thursday, Sept. 20, 10 a.m. – 11 a.m.
Hear from GSU Fellowships Advisor Katrina Helz on tips and insights into finding and applying for external funding in the form of nationally competitive and prestigious fellowships.

Centers for Disease Control and Prevention (CDC) Fellowship Panel ~ Date/Time TBD
CDC representatives will provide information about fellowships at the Centers for Disease Control and Prevention, including tips for creating a competitive fellowship application. For a list of fellowship options see cdc.gov/fellowships/full-time/doctoral.html

Register to Attend At:
GRADUATE.GSU.EDU/PROFESSIONAL-DEVELOPMENT/
Copyright & Publishing Essentials for Dissertations ~ Tuesday, Sept. 11, 12:30 p.m. – 1:30 p.m.
Are you working on your dissertation and including copyrighted works of others in your paper? Are you unsure about when you need permission and how to get it? Are you unclear about the pros and cons of online access to your dissertation, and how to control when it is available? This workshop will answer these common copyright questions that graduate students encounter as they write and prepare to publish their own thesis or dissertation. (Live Webinar)

Avoiding Plagiarism ~ Wednesday, Sept. 12, 12 p.m. – 1 p.m.
Looking for ways to avoid accidental plagiarism during grad school and beyond? Come learn tips and tricks for avoiding plagiarism in your writing. (Live Webinar)

Navigating the Institutional Review Board (IRB) ~ Tuesday, Oct. 2, 1:30 p.m. – 3:00 p.m.
Are you getting ready to prepare your first IRB submission? Has it been a while since you’ve submitted an IRB application? Are you new to GSU and need an introduction to our IRB procedures? If so, please join us at our “Navigating the IRB Process” session. This session is designed to provide the novice with information that will assist in creating and submitting a human subjects research application to the Institutional Review Board (IRB).

Write a Winning Grant Proposal: Introduction ~ Oct. 9, 10 a.m. – 11:30 a.m.
The University Research Services & Administration (URSA) office is happy to announce that we will be offering our basic grant-writing workshop three times this spring. Seating is limited and registration is on a first-come-first served basis.

Finding and Applying for External Fellowships ~ Monday, Oct. 15, 12 p.m. – 1 p.m.
Hear from GSU Fellowships Advisor Katrina Helz on tips and insights into finding and applying for external funding in the form of nationally competitive and prestigious fellowships.

NIH National Research Service Awards (NRSA) Information Session ~ Tuesday, Oct. 16, 11 a.m. – 12:30 p.m.
The NRSA funds pre and post-doctoral students conducting research in the behavioral and health sciences. Note that to be competitive for an NRSA students should be working with an NIH-funded sponsor or PI. Only US citizens, nationals and permanent residents can receive NRSA funding.

Graduate Student Write-In ~ Monday – Thursday, October 22 – 25, 9 a.m. – 4:30 p.m.
A 4-day workshop designed to help graduate students break through personal barriers by implementing effective strategies to aid in the completion of a thesis, dissertation, prospectus, or manuscript. Students also work with a writing consultant for individualized assistance.
Learn More: graduate.gsu.edu/current-students/graduate-student-write/
